

Boliqueime

182,500 €

Ref: ST1002

Amazing plot with beautiful views to build a modern design villa located in Vale da Vaca, Boliqueime. The villa is designed by the well-known "Camarim" architects.

The designed villa comprises a spacious living room and spacious kitchen suitable for a large dining table. There are 4 large bedrooms, 2 bathrooms and a guest lavatory. All bedrooms have access to the terrace and the master bedroom also contains a walk-in closet. Total gross built area is 294,79 m².

The villa comprises of spacious areas with extra large windows to fully enjoy the views, feel more incorporated with the green environment and have a very light and bright home. The villa is designed to be wheelchair accessible. Also, a pool and storage area is included in the project.

The project is currently in process of approval at the townhall. Various meetings have taken place in between the townhall and the designer architect of Camarim. The plot will be sold with approved project.
